Abstract

This document is generated by docoGen. We'll introduce our effort in this simulation project later.

0.1 Introduction

About our simulation project

- Course of network simulation in NCKU[1]

- For education only.

0.1.1 Why we using Docogen as document generator?

Standalone document generator

- Edit without insert configuration into your source code.

- And author is Kevin Cyu[2]

## 0.2 FlowChart

That's how our program work
